Key concepts, facts and sticky knowledge

Children will learn the **school rules** and **get to know each other**

All children and people are **different**, and our differences are what makes us **special**

Our **family is unique**, children will talk about their family and people who are special to them

A **self-portrait** is a picture we can do of ourselves

A **community** is a group of people living in the same place or having a particular characteristic in common

By the end of this period of learning, the children should be able to talk about the people in their family and understand why we are all different and what makes us special. They should begin to understand and follow the school rules and routines. They will be able to draw a self-portrait of themselves and understand more about their feelings and how these make them unique. We will be looking at 'The Colour Monster' book and 'Zones of Regulation'.
