TEAM CAPTAINS

At the whole school assembly on Monday, the year 6 team captains were announced by Mrs Coles. Firstly, well done to all the children who prepared a speech and were part of the voting process. Every speech was full of ideas about how to improve the school and everyone spoke with confidence and enthusiasm. Sadly, not every one could be chosen to be a team captain but every year 6 child has an important monitor position to help the school.

Well done to the following children who have been elected. Their first opportunity is to attend a Crown Court Service on Monday led by the Mayor.

SPELLING, PUNCTUATION & GRAMMAR

At Latchmere, we have a clear focus on sentence writing. The sentence writing challenges allow us to experiment with different grammatical features to enhance the meaning of our sentence (as well as being clear what makes a sentence). Year 6 have been looking at a range of word classes and clause structures.

Do you know what the following grammatical terms mean?

- Fronted adverbials
- Modal verb
- Possessive pronoun
- Determiners
- Passive voice

Can you spot the relative pronoun in this sentence?

The year 6 children, who have enjoyed their first three weeks at school, found out their monitor jobs on Monday.

ATTENDANCE

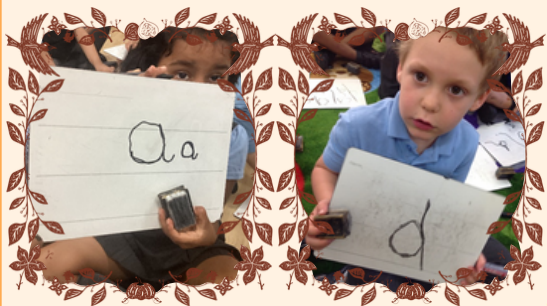

PHONICS

We're excited to be entering our third year of teaching the phonics programme, Little Wandle Letters and Sounds.

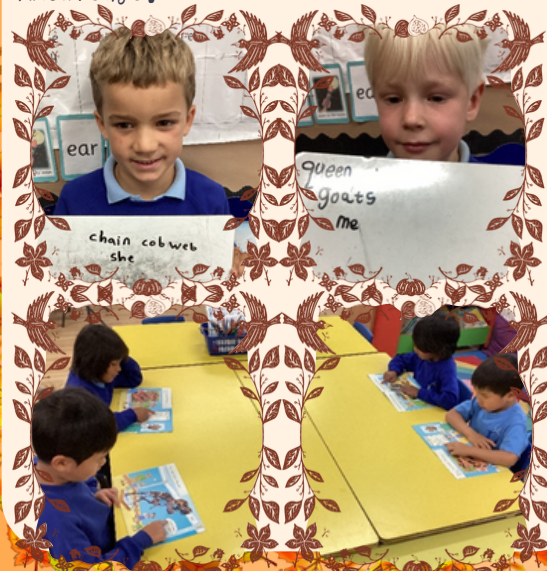

We have had a strong start in Reception, beginning teaching as soon as our children all began. From our first day, we were practising our letter formation! We are really proud of our efforts to learn eight new sounds: s, a, t, p, i, n, m and d. This week, we've started to learn how to blend those sounds together so we can read words like sat, sit, tip and nap. Soon we will be bringing home our first reading books to practise!

A

In Year 1, over the past couple of weeks, we have been reviewing and revising phase 3 and 4 GPC's and tricky words from phases 2-4. This has been a good opportunity for the children to refresh their phonics skills and extend their spelling knowledge.

P

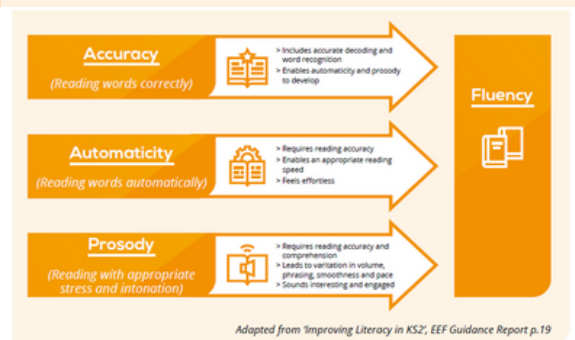

F

Year 2 have been busy continuing to learn their phase 5 sounds. They have also been working hard to develop their decoding, prosody and comprehension skills during their reading practice group sessions

R

Every reading session matters and re-reading books helps to build fluency (reading automatically), a skill that's more easily mastered with practise

Adapted from 'Improving Literacy in KS2', EEF Guidance Report p.19

S

Top Tip! If your child is unsure of a word when they are reading, don't be tempted to jump right in. See if they can work it out independently. If they are unsure, say, 'Can you spot a digraph? What's the first/second/third digraph?' If you need help spotting digraphs, please don't worry! Check out this page:
